DETAILED ACTION

1. The Examiner notes that an RCE was filed on March 13, 2006 to have the Examiner consider the IDS statement of March 13, 2006. The Examiner has considered the reference cited on that IDS statement, Japan 02-220428, but this reference does not read on the claims as presented, as is does not teach or suggest the dropping pattern as claimed.
2. The allowed claims 15-17 continue to be allowable over the prior art of record, as none of the prior art of record teaches or suggests, alone or in combination, the claimed method of dropping a liquid to be spread on a substrate to be process using the claimed relative movement of dropping unit and substrate and the dropping pattern on the substrate as claimed.
3. The Examiner notes that claims 11-13 and 18-24 were canceled in the Examiner's Amendment of Jan. 10, 2006.
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Katherine A. Bareford whose telephone number is (571) 272-1413. The examiner can normally be reached on M-F(6:00-3:30) with the First Friday Off.
If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Timothy Meeks can be reached on (571) 272-1423. The fax phone numbers
